International Graduate Leadership Programme – Commercial

Join us at TUI, the global market leader in travel.

“The world is too big to stay in just one place.”
On behalf of TUI Group, we are looking for outstanding graduates for the International Graduate Leadership Programme – Commercial to start in September (Application closing date in March) and March (Application closing date in September) each year.

WHAT YOU WILL BE DOING

- Make the most of your individual graduate programme and be involved in choosing your own four assignments in different TUI Group locations mostly in Europe
- Experience an exciting mix of day-to-day business and project work in different commercial departments (e.g. Strategy, Purchasing, Product Management, Sales & Marketing)
- Gain insight into the financial sector during one assignment in a predefined finance discipline (e.g. Controlling, Accounting, Audit, M&A)
- Take responsibility for a team of holiday representatives and experience leading it during your 8 weeks leadership assignment
- Develop your skills through tailored personal development with workshops, coaching, mentoring and feedback sessions
- Gain exceptional experience in all aspects of our organisation, shaping the future of travel
- Collaborate with engaged employees and senior managers from our global businesses
- Work on a common business project as a virtual graduate team

WHAT YOU CAN LOOK FORWARD TO

- 20 months Graduate Programme including international projects, extensive networks and individual development
- 38.000 EUR salary per year, additional support with expenses associated with international assignments and travel concessions
- Active involvement in project selection
- Real responsibility in your role from day one
- Excellent career prospects and international opportunities post your Graduate Programme
