

Recruiter (f/m/d)

Holidu is a travel and tech start-up that is building the world's best search engine for vacation rentals. Our mission is to finally make finding and booking the perfect rental easy. We are on this journey in a rapidly growing team of travel and technology enthusiasts from all over the world. Our travel mates also include investors and mentors who have helped companies such as Booking.com, Spotify and Zalando to achieve global success. So, pack your bag, hop on board and get ready for take -off!

Your role in this journey

- Owning the entire recruiting process and experience for the teams you partner with.
- Building a strong candidate pipeline via active sourcing, job postings, referrals, etc.
- Providing HR Business Partner support including onboarding, performance management and development.
- Playing an active part in employer branding activities (career fairs, meetups...).
- Identifying and realizing projects to further improve our company processes and employee satisfaction.

Your backpack is filled with

- A university degree, ideally in Business Administration, Psychology or related.
- Demonstrated excellence in academic, professional or extracurricular activities.
- An analytical mindset and structured work style.
- Strong communication skills and ability to influence.
- Very good German and English skills.
- Previous experience in HR & Recruiting is a plus.

Our adventure includes

- Cutting edge technology in all areas of our fast-growing business
- A diverse international team with the ambition to achieve amazing things
- Flat hierarchies, responsibility and freedom to develop your own ideas
- Continuous learning from and with experienced co-workers and mentors
- Real team play with a lot of fun together during and outside of work
