

Working Student Sales Operations (f/m/d)

Holidu is building the world's best search engine for vacation rentals. Our mission is to make finding and booking the perfect rental finally easy. We are on this journey in a rapidly growing team of travel and technology enthusiasts from all over the world. Our travel mates also include investors and mentors who have helped companies such as Booking.com, Spotify and Zalando to achieve global success. So, pack your bag, hop on board and get ready for take off!

Your role in this journey

- Research new sources for opportunities to support our international sales teams in capturing new markets – with a focus on Italy, Spain and DACH
- Find and prepare qualified leads to ensure a full pipeline and efficient sales organization
- Support the team in implementing new and innovative ways of generating qualified leads
- Support cross-functional projects and the implementation of our international market strategy

Your backpack is filled with

- Currently enrolled in any university course of study
- Strong analytical skills – with high attention to detail
- An independent and hands-on work attitude
- Creative and outside-the-box approach to problem solving
- Profound knowledge of MS Office, especially Excel
- Fluent English skills – any additional language is a plus

Our adventure includes

- Cutting edge technology in all areas of our fast-growing business
- A diverse international team with the ambition to achieve amazing things
- Flat hierarchies, responsibility and freedom to develop your own ideas
- Continuous learning from and with experienced co-workers and mentors
- Real team play with a lot of fun together during and outside of work

Want to travel with us?

Visit holidu.com/careers to learn more and apply. Your first travel contact will be Julia.

We champion diversity in every aspect of life. We encourage applications from all genders, corners of the world and individual backgrounds. If you have a disability or special need that requires accommodation, please let us know.
