

We redefine mobility by providing easy access to a full range of bikes everywhere you go.

List and Ride is a technology company, that operates a community marketplace for bike hire and cycling activities. Founded in Berlin end of 2016, we are an international company with offices in Berlin, Munich and Kiev and we want to work with talented people from around the world. Through www.listnride.com people can search and book the next cycling experience, location independent. A large selection of premium bikes and cycling activities are provided by shops, hotels, brands and private owners, which are available across cities and holiday regions in Europe.
