

TO SURPRISE GUESTS AROUND THE WORLD

WE OFFER UNEXPECTED CHANCES WORLDWIDE.

International Graduate Programme - Aviation

Join us at TUI, the global market leader in travel.

"The world is too big to stay in just one place."

On behalf of TUI Group, we are looking for outstanding graduates for the International Graduate Programme - Aviation.

Location: Worldwide
Application: www.tuiinternationalgraduates.com

WHAT YOU WILL BE DOING

- Four assignments in different TUI Group locations mostly in Europe (e.g. Germany, UK, Spain, Sweden, Netherlands)
- An exciting mix of day-to-day business and project work in different aviation departments (e.g. Air Operations, Ground Operations, Supplier Management & Procurement, Engineering and Maintenance, Business Transformation, PMO and Inflight Services)
- One assignment in a commercial discipline (e.g. Strategy, Purchasing, Product Management, Sales & Distribution)
- One 8-week project leadership assignment
- Develop your skills through a blended learning approach with personal development conversations, workshops, mentoring and an online Graduate academy
- Collaborate with engaged employees and senior managers from our global businesses
- Exceptional experience in all aspects of our organisation, shaping the future of travel

WHAT YOU CAN LOOK FORWARD TO

- 20 months Graduate Programme including international projects, extensive networks and individual development
- Active involvement in project selection
- Real responsibility in your role from day one
- Excellent career prospects and international opportunities post your Graduate Programme

WHAT WE ARE LOOKING FOR

- Good degree (2:1 or equivalent) from a university or a business school ideally in Aviation Management, Aeronautical Engineering, Business Administration, International Management or Economics
- English language skills to business standard, additional European languages are preferable
- Minimum of 3 months international experience
- Minimum of 6 months commercial work experience
- Passion for aviation, excellent customer focus with strong analytical and communication skills as well as strong leadership potential
- Innovative and adaptable approach suitable for working in a fast-paced environment
- Flexibility to be internationally mobile

IT'S OUR PEOPLE THAT MAKE US NUMBER ONE.

TUI is the leading tourism business with over 67,000 employees across the world. United under one roof, the Group includes our unique hotel portfolio, our cruise ships, our own aircraft, tour operators, travel agencies, and much more. At TUI, we have embarked on a journey of development towards a more digital, connected and integrated future. But we haven't arrived there yet. Join us now and shape the future of travel.

Do you have any questions about this position? I am happy to help you with your queries.
