

# Job Title: Intern Procurement Solutions (m/f/d)

XXX

## HRS AS A COMPANY

**HRS reinvents how businesses WORK, STAY AND PAY.** Counting more than 5.000 corporations and 40% of Fortune 500 companies in our customer base, HRS has emerged to the most trusted platform of digital software solutions in business travel hospitality worldwide.

The HRS platform is composed of three engines that each optimize one core building block along the corporate hospitality supply chain: Intelligent Procurement, Smart Booking and Invisible Payment. Through the integration of those engines into one large data-driven platform approach, our Lodging-as-a-Service value proposition enhances satisfaction of corporate employees and travelers, delivers the highest grade of process automation for corporate stakeholders and ensures strongest compliance end-to-end.

## POSITION

We are looking for a Shanghai based Intern Procurement Solutions China (m/f) who will support our Procurement Solutions team.

## CHALLENGE

- Support our Procurement Solutions team in a current project
- Provide assistance including but not limit for data matching and cleaning, data uploading and preliminary quality checking
- Process incoming correspondence in both Chinese and English

## FOR THIS EXCITING MISSION YOU ARE EQUIPPED WITH...

- Student, preferably in the field of digital marketing or data analytics
- Passion for customer support in online business/eCommerce
- Initiative, result-orientation as well as flexibility
- Ability to work independently, reliably, diligently and well structured
- Good command of English, both spoken and written

## PERSPECTIVE

Access to a global network of a globally united and mutually responsible “Tribe of Intrapreneurs” that is passionately dedicated to renew the travel industry and while doing so reinvent the ways how businesses stay, work and pay.

Our entrepreneurial driven environment of full ownership and execution focus offers you the playground to contribute to a greater mission, while growing personally and professionally throughout this unique journey. You will continuously learn from a radical culture of retrospectives and continuous improvement and actively contribute to making business life better, smarter and more sustainable.

## LOCATION, MOBILITY, INCENTIVE

The attractive remuneration is in line with the market and, in addition to a fixed monthly salary, all necessary work equipment and mobility, will also include an annual or multi-year bonus.
